

# BEAUTY TRUTH & GOODNESS

A REFLECTION DAY FOR STAFF

## *'Living and promoting the Gospel in Catholic schools through Beauty, Truth and Goodness'*

Steve Lawrence, AFL Premiership player, a Director of Australia's largest ever event, World Youth Day 2008, and father of six, affirms how staff in Catholic schools - irrespective of their beliefs or backgrounds - contribute to the Catholic ethos whenever they live out or promote beauty, truth or goodness.

Drawing from compelling anecdotes of his life as a Director of an international school of mission in Rome, his years as enthusiastic educator in the classroom, seasoned world traveller, as well as his adolescent experience in a broken family, Steve humorously and intelligently weaves together inspiring stories of heroism and hope with practical opportunities for learning that equip staff to best live their mission and purpose at school.
